
Assisted Living

Long-term retirement houses provide a type of residential care for people who require continual nursing care and have significant difficulty coping with or managing daily living activities. They offer the most extensive care a person can receive outside of a hospital. Residents may also receive physical, occupational, and other rehabilitative therapies following an accident or illness.

The Haven at North Hills Senior Residence

One Windsor Way, Pittsburgh, PA 15237

(412) 599-1032

- Pricing available upon request.

The Haven's Person-Centered Care model works in concert with wellness programs that address all aspects of health and wellness through physical, social, emotional, cognitive, and spiritual nurturing. This allows your loved one to live life to the fullest in a safe and secure environment. Professional staff is on hand 24 hours a day to provide a warm and secure environment that encourages residents to feel more independent, safe, and engaged. The Haven offers personal care for persons starting to experience memory challenges, Memory Care for Alzheimer's and dementia, respite, and hospice care with professional staff available day and night.
